**The Battle Over the Soul** is a remarkable and moving film documenting the astonishing exploits of a handful of young Israeli soldiers who held off virtually the entire Syrian army for the better part of three days at the beginning of the 1973 Yom Kippur War (almost certainly preventing the annihilation of the Jewish state) and exploring the effects that those few days had on those young men's lives.

Following the screening, we will be joined by the producer, Dan Almagor, for a Q & A. In addition to producing the film, Mr. Almagor was one of the soldiers who was present at the battle for Tel Saki in 1973.
